

CHATEAU LES DONATS

GRAND VIN DE BORDEAUX
BLAYE COTES DE BORDEAUX

CHATEAU LES DONATS the 3,60 hectares of Chateau les Donats are established on particular soils, characterized by the presence of veins of small graves; this provide an asset for the ripeness of the grapes and the fruity and soft aromas of our wines. The average age of the vines is 30 years old, with a 100% Merlot. Most of the operations are done by hand: debbuding, green harvest, etc... The final crop is also hand made. All these attentions are done to provide, every year, the greatest quality on each millesime.

VINTAGE 100% MERLOT
